Class Poem

Oh Headman, our Headman, we've
finally passed the tests.
Our books have weathered every storm, of
pencils deftly pressed.
The summer's near, the frogs I hear, the
Mansion House is blooming,
While round about the Milestone now
the Senior Class is booming.

But, oh school, school, school,
Oh the future coming yet.
I guess I'm just a little fool,
To doubt I'll soon forget.

Oh Spoon, oh Doc, we've heard
you drone so long,
Our ears already are quite dizzy
with the song.
We've heard ol' Rao buzz it off
and flip the texts once more,
While to answer Carrot's "jokes," we've
almost hit the floor.

But, oh teachers, teachers, teachers,
We, poor subjects of your ire,
Will soon loll on summer's beaches,
And perchance, be kindled by your fire.

Oh Murph, oh Merce, we've finally
mastered spelling,
While Sager and Navins, our victories
were swelling.
With math and Stone we've often
picked a bone,
While smells — created by Simmons —
really made us moan.

But, oh life, life, life,
We the students here,
Because of these last months of "strife"
Have less, of you, to fear!

The Football Season

By August W. Boss

This year the football team started the season with high hopes. The backfield prospects were encouraging and the line developed exceptionally well. The fact that the team had a record of three wins and four defeats is no indication of its strength. It was a good team, but then so was every team it faced.

The Governors opened the season with a 6-0 victory over a confident Groton eleven. The Red team dominated the offensive play but were unable to score until Bobby Rex intercepted a pass and went all the way with the help of two key blocks. It was a great game to win since the team had had only a week of practice.

The team continued to improve and defeated Thayer 6-0 for its second consecutive win. In the second quarter the Governors drove 60 yards and finally scored on a pass from Dirk Owens to Don Rice. In the second half the Governors were forced to resort to a defensive game since the mud made the ball almost unplayable. For the second week the team intercepted a number of passes.

The following week the Governors faced an aggressive Moses Brown team and were beaten 6-0. Barry Gately's play, both offensively and defensively, was the only pleasing factor of the day.

The next game was the highlight of the season. The Governors pounded out a 15-12 victory over a strong Milton team. On the kickoff we recovered the ball in the end-zone for two points. Milton drove deep into Governor territory, but Johnny Brandli intercepted a pass and ran 95 yards for a touchdown. In the second quarter Al Smith recovered a fumble and went over on the next play. This completed the scoring for the Governors, and the team had to play a defensive second half since Milton came back strong.

The following week the Governors faeed an exeeptionally strong Belmont Hill team. Belmont Hill's powerful offense proved too mueh for the team and the game ended 27-7. The Red team was only able to score after Belmont Hill had annexed their 27 points. Quarterbaek Johnny Brandli seored, and John Salinger booted the extra point.

The Tabor game at Marion was a heartbreaker from the Governors' standpoint. On the opening play, Tabor raced the length of the field to seore. This took some of the fight out of the Red team, and before the half ended they were on the short end of a 25-0 seore. But the Governors camc to life quiekly. In the third quarter, with Johnny Edgar and Johnny Brandli setting up the plays, Al Smith scored twiee. John Murdoek threw a pass to Skip Woodruff on the five-yard line and Brandli went over to make the score 25-19 with four minutes to go. The Governors began to drive again but lost the ball on a fumble. Just before the game ended, Tabor threw a long pass to make the final seore, 31-19.

The final game of the season was played against the Harvard Freshman B team on Morse Field. The Governors lost by the seore of 20-7. Dirk Owens seored on a short plunge in the second quarter for the Governors' only tally. At the half, Governor Dummer led 7-6 but the heavier Harvard squad came from behind to win. This game was played under the most adverse weather conditions, whieh hampered both teams.

Much of the Team's sueeess must be attributed to the fine coaching it received. Coaehes Sager, Murphy, Clark, and Rizzi did a wonderful job keeping the team prepared for its difficult sehedule week after week.

The Soccer Season

By Alan M. Starensier

When over seventy-five candidates reported for soccer practice at the beginning of this year, the hopes for a successful season overshadowed the fact that only two letter men were returning. To find a cohesive line-up was the coaches' first and most important task. For the opening game the team had lots of spirit, but little experience.

The Andover game was a disappointment from the scoring end, but, despite this fact, the Governors played well. With their usual strong, well-coordinated team, Phillips Academy was able to dominate play throughout most of the game and run up a score of 5 to 0.

A week later, with first-game jitters under their belts, the Governors beat Watertown High. Captain John Gill scored the first goal on a penalty kick, and, late in the fourth quarter, Dodd Miles put the game on ice. The two fullbacks, Lewis and DuGrenier, looked especially good, and in later games, proved to be the Governors' mainstay.

The Parents' Day game ended in a 4 to 1 victory for Milton. The Governors played strictly a defensive game, but to no avail. The Red and White's only goal was scored by Charlie Brown, on a very pretty shot from his left outside position.

On the following Wednesday, the Red and White won over Belmont High School 3 to 1, scoring all three goals in the second period, two by John Gill and one by Eddie Dodge. On a hunch, Coach Navins moved Franco Derba to an inside position and put Jerry Vaughn at the vacant outside slot to see if he could get some more scoring punch. On the next Saturday, this new combination proved to be good enough to score three goals against a strong Belmont Hill team, but Belmont was equally as good, and held the Governors to a 3 to 3 tie. Trailing 2 to 1 with only a few

minutes of regular playing time left, Franco Derba scored for Governor Dummer, sending the game into overtime. Franco scored again in the first overtime period, but Belmont was able to add the equalizer.

The Governors went over the five hundred mark for the first time by deflating St. Paul's School, 3 to 1. John Gill, Jerry Vaughn, and Franco Derba split the posts for the Red and White during the first half.

The last home game of the season, against Tabor, was played on Morse Field, due to the heavy rains which had flooded the regular soccer field. After John Gill had put the Governors ahead early in the game, Tabor scored on a disputed play, one which seemed to take all the fight out of the home team. Tabor added two more goals later in the last period and the game ended 3 to 1.

For the Brooks game, the Governors were in better spirits. A surprisingly strong Brooks team controlled the play through most of the first half until John Gill scored. A few minutes later, George Packard scored, heading the ball into the cage on a very pretty play. The second half was a see-saw battle in which neither team was able to push across a goal.

In the season's finale, the squad traveled to Cambridge to face Browne and Nichols. The season ended on a happy note with a 2 to 0 victory for Governor Dummer, John Gill scoring both goals. The 5-3-1 record of this year's team was the result of much hard work on the part of both the players and the two coaches, Mr. Navins and Mr. Traver.

South Triumphs as Witherspoon's Braggs Win

By L. Franco Derba

The Metropolitan papers reported the startling news that all the tombs of the Civil War generals had been found empty. While the news was spreading very quiekly through the nation, and the F.B.I., Seotland Yard, Gendarmes, and Poliee from every country were after the anthors of sueh vandalism, mysterious figures were seen ereeping around in South Byfield. All this assumed a very serious outlook when these eharaeters were found to be the "eorpora delieti." They had joined in South Byfield to end old disputes in the annual Volley-ball tournament. Poobah Rizzi divided the teams in North and South leagues, eaeh of them supposed to ehoose a representative for the big play-off, and the raee for the power began.

An anti-seandal eampaign, launehed by the loeal paper, aeeused a Southern general (known for the defeat at Bull Run) of bribery. That ealumnious statement was ultimately disproved when the suspeeted team ended up last in its league. Finally the fatal day came.

Mr. Blue's Sideburns and Witherspoon's Braggs, the representatives of the two leagues, stepped on the battlefield with mercenary armies, seeret weapons, and thirst of victory. At the ery "Let's put iee eream on the apple-pies!" the ball was flung over the net. She bouneed from hands to hands, from floor to roof, leaving after herself lightning, thunder, and unusual trails of eholerie impreeations.

When the sounds of the battle ended and the smoke vanished, Poobah the Omniseient, from the height of Olympus, announced that he had predestined Mr. Witherspoon's Braggs to be the vietors. Forgetting their aneient hostility, both teams feasted regally on the speeial steak dinner, as another hotly eontended volley-ball tournament ended.

The Wrestling Season

By John A. Bullard, Jr.

Governor Dummer's 1952 wrestling team earned recognition by becoming the school's first undefeated team in forty-eight years of wrestling. Coached by Mr. John Bright, who commenced practice before Christmas, the Governors overcame all opponents, including Milton, whom we had never beaten.

The season opened on January 16 against the Browne and Nichols team. The Red and White won this meet with the entire team showing excellent form. Murdock, Smythe and Shohet gained admirable decisions. Then the team journeyed to Dedham where a strong Noble and Greenough team was tied. Hjorth pinned his man, and Lawson, Smythe, and Krieger took decisions.

A week later the Governors beat St. Mark's for the first time in six years. Highlighting the match was Iafolla's pin, and Hjorth's only loss of the year to an excellent man. Next we entertained Brooks at South Byfield and easily outdid them. On February 2, Roxbury Latin was beaten. Again the entire team did well, but it might be noted that Nader lost a close decision to an excellent man.

Milton Academy was the hardest team on the schedule, and the Red and Whites had great enthusiasm. Milton got off to a fast lead, and both the team and the spectators were disappointed. Tom Larsen, in the 117-pound class, lost to an excellent foe by decision. Dick Nader next lost by decision to another of their clan. Walter Lawson, wrestling their captain, had a hard time as expected and lost by decision. This made the score 9-0. Winning a draw in the next match, we broke our losing streak. Steve Shohet did well in this match, containing a highly contested illegal hold called against Milton. S. Sargent, wrestling at 147, lost by decision, but then we began to move. Captain Rib Smythe, adding another victory to his record, practically pinned his man but finally had to settle for a decision. John Hjorth, wrestling in his enlightening fashion, followed and also produced a decision. Then John Murdock took the mat and pinned his man beautifully in the second period. We were a point behind as the last match started. Mike Iafolla, in the unlimited class, produced the finest match by getting the most valuable decision of the season. Later in the week, at an afternoon meeting, Mike was made Mayor.

The next two meets were easily won. With the Andover J.V.'s, we lost but one match, and that one was because Mike Iafolla could not make up for the 60 pounds that his opponent had on him. The Red and Whites went to Tabor, where Lawson pinned his man early in the first period. Murdock and Smythe wrestled well in decisioning their men.

In our second year in the Interscholastics, we placed fifth out of eighteen teams, thereby gaining two places over last year. The entire team entered and made a good showing, but only Smythe, Murdock, Lawson, and Shohet placed. Smythe earned second place; Murdock placed third; Lawson and Shohet both reached fourth in their weight divisions.

This has been an outstanding year for the Governors. The entire team wrestled well throughout the season, but it should be particularly noted that Smythe, Murdock, Hjorth, and Iafolla lost only three matches. We scored over a hundred more points than our opponents.

Much credit for the splendid team should go to Mr. Bright for his excellent coaching and to Rib Smythe for his unparalleled leadership of the squad.

The Basketball Season

By Guy A. Tudor, III

A successful season can be due to various factors. The capability of the coach to bring out and develop the specific potentialities of the different players to an efficiency wherein the team works in unison, the determination to outplay the opponents — these are all definite advantages which can result in a well-coordinated team. The success of this year's team, although it was a combination of these principles, was largely the result of one person, Captain Donald Rice. Don was the backbone of the team and repeatedly carried the games over the rough spots to ultimate wins.

The other players, each in their own individual performances, also supplied the necessary abilities and spirit which resulted in a fine basketball season. Steve Ream and Dave Hicks alternated at center, with Hicks occasionally filling in at forward. Bob Rex, a very good defensive guard, was the most adept at set-shots. Al Smith and Hump Zabriskie, back from last year, were efficient back court men.

This year the team played more than the usual amount of games, sixteen, and won seventy-five percent of them, which illustrated the strength that the players demonstrated on the floor.

St. Sebastian's was the first school that the team faced, and they emerged victorious by one point, 43 to 42. However, in the next game, a stronger team, Lynn English, took us by nine points. After that loss, the Governors piled up eleven straight games in the winning bracket. One of the more interesting games was on January 23 when a Harvard house team visited the school with several alumni who had played on the 1949 team, but they were not able to take the 1952 aggregation. On the second of February, Massachusetts Maritime forced our players to work hard for a victory. Although many of the games were won only by a few points, several games were not even close. The Browne and Nichols and Milton games gave the other boys on the squad a chance to play. The last game the team won was against the M.I.T. Freshmen, in which another basket for M.I.T. would have reversed the outcome. After this thrilling game, the Governors lost two away. The last game with Hebron was very close all the way, but Hebron got the point they needed and took the game, 52 to 51.

Although the scores of the final three games would seem to disprove the fact, the team never worked harder than at the end of the season. A widespread sickness may have been a contributing factor to the team's apparent late-season slump, although this is not said as an attempt to alibi the losses.

Coach Navins, Manager Howard Quimby and the players, themselves, all considered the season superior.

The Hockey Season

By John Eveleth

Blessed with its usual quantity of ice, the Red and White hockey team went into a thirteen-game season with very little practice. Under the able guidance of coaches Murphy and Duffy, however, the season's prospects were not altogether gloomy. Last year's lettermen, headed by Captain Ned Werner, were augmented by valuable newcomers.

The Governors faced a veteran Saint Mark's outfit in their first game of the season at the Lynn Arena and bowed by the close score of 4-2. The outdoor game against Saint Sebastian's was cancelled through lack of ice; then Noble and Greenough decisively defeated the Red and White by a score of 8-0. There followed a win over Brooks School by 5-1 at Brooks, and a loss to Saint Sebastian's by 3-0 in the Boston Skating Club. The Governors then suffered a 2-1 setback at the hands of Danvers High School on a very slushy Morse Field Rink. The team hit their stride with a 1-0 victory over Browne and Nichols, a game that saw the Governors outskate their opposition in every period. Then came successive losses to Belmont Hill and Stoneham High School, winners respectively of the Prep. School and G.B.I. leagues. After winter weekend, the team finished up the season's last three games by tieing Milton, 0-0, beating Middlesex, 5-1, and beating Hebron Academy by the score of 6-4.

The usual lineup consisted of Charlie Brown centering for a line of George Packard and Eddie Dodge, at right and left wings respectively. For the second line, Matty Grossman, Dick Osgood, Charlie Palmer and Bill King all saw action. The defensemen were headed by Captain Ned Werner. Ned played fine hockey all season long, and his leadership was an asset to the team. Other defensemen were Joe Cook, Phil Smith, and Prior Morrell. Dick Marr was the Governors' ever-capable net-minder. The scoring was relatively evenly divided, with Eddie Dodge, Charlie Brown, George Packard and Ned Werner responsible for a majority of the goals.

Highlighting the season were the tie against Milton, the 5-1 victory over Middlesex and the 6-4 victory over Hebron. The Hebron victory was especially satisfying, as many of the team were ill that day and the Red and White were seriously undermanned.

Much credit for the season must go to Mr. Murphy and Mr. Duffy, who moulded a green and inexperienced team into a well-polished machine without the benefit of ice for practices.

Ski Team Celebrates Snowfalls

By Jerome P. Brown

During the winter of 1951-52 the ski team at Governor Dummer prospered. Due to some frequent and heavy snowfalls, the team managed to arrange three meets. Although they lost two decisions, their first Andover fray resulted in the first victory ever recorded by a Governor's ski team. The other two clashes, one with Exeter, the other a return bout with Andover, were lost by close margins. Co-captains Rod Rose and Henry McFarland exhibited their usual speed and prowess in that Andover victory, taking first and third places respectively.

Coach Traver took the entire squad on numerous Sunday excursions, including one to Mt. Sunapee, New Hampshire. Taking all factors into consideration, this year's skiing season was a success.

Numerous downhill and slalom races on the Ingham headwall, as well as frequent cross-country jaunts through the scenic Ingham National Forest, contributed to a well diversified athletic program offered to the members of the ski squad by our capable, experienced coach.

The Season

The 1952 winter track team with but one returning letterman, Ed Carter, was helped considerably by the arrival of quite a few new prospects. Although snow dominated the road a great deal of the time, many good workouts were accomplished, so that by the time the first meet arrived, a fairly well-rounded team was in hand. The Governors took 5th in the prep school relay at the Boston Garden with Crockett, Dow, Swenson and Carter running.

Later on in the season, with good representation in most events, the Governors beat the Exeter J.V. and Roxbury Latin in dual competition. In the New England Prep School Championships at Andover, the Governors placed third out of six schools. Carter did well in the hurdles, taking second place. Lewis and Idler were in a tie for second place in the high-jump at 5′9″. In the last meet of the season at Bowdoin, the Governors took fourth place. Particularly outstanding was Windy Gale in the 1000-yard run. Also doing well during the season were Bailey in the dashes, and Getchell in shot-put.

The Glee Club

By John J. Murdock, III

The Glee Club at Governor Dummer Academy is a much sought after extracurricular activity. The caliber of singing this year was raised considerably, due to the tough competition at the beginning of the year. Through Mr. Sager's untiring efforts and Mr. Stone's great patience, the club had a very successful season.

The highlight of the season was the annual New England Preparatory School Music Festival Chorus which was held in Symphony Hall on March 2nd. Singing with the Boston Symphony Orchestra under the direction of G. Wallace Woodworth, director of the Harvard Glee Club, was a great and memorable event that none of those who participated will forget. The combined choruses of eight schools sang Randall Thompson's "Alleluia," Mozart's "Eine Kleine Nachtmusik" and three chorales and choruses from "The Mass in B Minor" by Bach. It was a thrilling presentation made possible only through a great deal of effort and time on the part of all concerned.

The first joint concert of the year was with the Windsor School Choral Class at their school in Boston. Among the favorite selections sung by the combined clubs were "La Belle Helene" by Offenbach, "Jesus, Joy of Man's Desiring" by Bach, and "Christmas Carol" by Holst. The Governor Dummer Glee Club directed by Mr. Sager contributed Steffe's "The Battle Hymn of the Republic," Berlin's "Give Me Your Tired, Your Poor," Rodger's "Wintergreen for President" from "Of Thee I Sing," and Rodger's "Poor Jud" from "Oklahoma." John F. G. Clifford and Mr. Stone were the accompanists. The boys were guests at dinner preceding the concert and at a most enjoyable dance after it.

On February 9th the Glee Club traveled to the Beaver Country Day School. The combined clubs sang "Turn Back, O Man" by Holst and the "Crucifixus" from "Mass in B Minor" by Bach. The Governors sang, in addition to the songs sung at Windsor, "The Lord's Prayer" by Malotte and the "Bacchanale" from "La Belle Helene" by Offenbach. Another enjoyable dance followed.

On February 23rd the Glee Club journeyed to the Walnut Hill School in Natick for a joint concert. The dance afterwards was the best of the year with a good time had by all.

On March 8th, the Glee Club was host to the girls of the Dana Hall School Glee Club. This was the first home concert for the Governors. Among the selections sung by the combined clubs were Mozart's "Ave Verum Corpus" and Thompson's "Alleluia." A dance was held in the Cobb Room following the concert.

An extra concert was given this year by the Glee Club at the Manchester District Rotary Club meeting on April 17th. It was at this concert that the Meistersingers made their debut. They sang "Brush Up Your Shakespeare" and "The Old Ark's A-moverin'."

David Powers was president of the Glee Club, and also played the saxophone at the Dana Hall School Dance in the Cobb Room. The soloists were Windy Gale, tenor, Steve Shohet and John Murdock, bass. Mr. Benjamin Stone was an invaluable aid in directing the basses and as accompanist. The managers, who helped make out the dance cards and supplied each Lawrence Melchior with music, were Rick Blackmur, Jack Lucas, and Al Starensier. The real credit for the great success goes to Mr. Sager for his willingness to spend a great deal of time helping individuals as well as the group in general.

The Governor Dummer Chapter of the *Cum Laude Society* received its charter on February 10, 1934. The purpose of the society is to promote scholarship and to recognize scholastic achievement. In secondary schools its function is, therefore, comparable to that of the Phi Beta Kappa Society in colleges.

The by-laws of the society state that to be eligible for election a student must attain a minimum standing of eighty per cent during his senior year and must stand in the upper fifth of his class. A three-fourths vote of the faculty members is necessary for election, and the members are pledged to consider each candidate's record during the earlier years of his secondary school work, his diligence, particular abilities or deficiencies, and the nature, and number of courses on which his average is based.

This year the annual initiation banquet was held on Friday evening, May sixteenth. The speaker was Dr. Howard B. Jefferson, President of Clark University, Worcester.

The philanthropist, Dirk Owens, leaves his knowledge of kindliness to "Daddy" Edgar.

Ed Carter wills his jet-powered getaway on the traek to "Davy" Croekett.

Chuck Wensinger wills his laugh to Charlie Palmer.

Prior Morrell bequeaths his knowledge of English colloquialisms to Bob Iafolla.

"Mayor Mike" Iafolla and Electrician Nader will their partnership to Sam Sargent and Dick Pew.

Acknowledgments

The photographs used in the MILESTONE are the work of the following, to whom we tender our warm thanks: Stephen B. Shohet, George B. Bowden, Alexander A. Hose.

We would like to thank the various friends of the MILESTONE who, although not definitely connected with the staff, have made generous contributions to this book. We wish particularly to acknowledge our indebtedness to:

Mrs. Jane M. Gale for her help in accounting.

Mr. Harold Johnson of the Andover Press for relieving us of many worries.

The Dance Committee and the boys attendance at the dance greatly aided THE MILESTONE exchequer.

Nobody knows how many hundreds of thousands of people will dine tonight with TOWLE Sterling — but the actual number would be startling. For in the two-and-a-half centuries that beautiful silver has been made in Newburyport, the demand for its patterns has moved steadily upward. Craft traditions reaching back almost to the Pilgrims are part of the reason for TOWLE progress, but probably the chief reason is a certain soundness of design — patterns that wear well — that wear so well, in fact, that they become at once a proud possession and a beloved part of family life.

A Book To Be Treasured . . .

This annual is a permanent record, in picture and prose, of the academic year 1951-1952 at Governor Dummer Academy. Its value will increase as the years pass, and the quality of the printing will contribute in great measure to its lasting worth.

The Andover Press, Ltd., takes pride in its well-known craftsmanship which, combined with the long hours of careful planning and painstaking editorial work by the MILESTONE Staff, makes this a book to be treasured.
